Mr Frank

This is Eric Long, and I'm writing to you to ASK you a few Questions. My first Question is Rule 105 power of the <sup>court</sup> Could it you appoint a trustee Lawyer To request a turnover of property Rule 542/543, from the Department of Revenue to retrieve those tax Accounts that's associated to this Case? Then upon receiving them Could you ~~re~~open this case under Rule 350(B) A Case may be reopened in the Court in which such case was closed to administer Assets, To accord relief to the debtor, or for other Cause? MR Frank I'm sending you another copy. Can't we request These Accounts? They have a rule under Pennsylvania Statutes.

(2)

It's rule (212) Examination of books etc, by expert accountants, and they have Rule (213) Duty to furnish record of tax liens. Isn't this enough to see the accounts that the Department of Revenue is talking about? I'm sending you a copy of the letter I sent to the Dept. of Revenue I sent them two dollars and ask them for this information that they ask me to file these taxes on. MR. Frank I'm doing the best I can. Could you order those accounts from the Department of Revenue? Thank you for your time on this matter. MR. Frank I'm sending you a copy of the letter I sent to Department of Revenue

/s/ Eric Berg

Dear ERIC LONG:

Re: ERIC LONG  
Case Number: 17-10828

The Department of Revenue recently learned that the above referenced debtor has filed for protection under Chapter 07 of the U.S. Bankruptcy Code, Title USCS § 1101 et. seq. or §1301 et. seq.

In reviewing the tax accounts associated with the case, the Department has determined that tax returns have not been filed for the following tax accounts and tax periods.

Type of Tax	Tax I.D. Number	Unfiled Periods
Annual	xxx-xx-7036	2015* 2014* 2013* 2012*

\*Annual Tax -- Please attach all W2s and/or schedules with your signed PA40.

Please file these tax returns by mailing them to the above address within the next ten days. This will enable the Department to file a claim which at least represents the taxpayers self-assessed tax liabilities. If the debtor is not required to file tax returns for certain periods, provide us with a written explanation.

Sincerely,

Jacelyn Boyer
